

World Learner School

Policy: 520 FUNDRAISING POLICY

Effective: 4.27.09

Revised: 2.27.17

The World Learner School Board of Directors will give approval to all Fundraising Activity prior to the beginning of each event.

The board will be notified prior to each board meeting about any planned fundraising events requested to take place on behalf of the school.

At each board meeting the board will approve or decline each fundraising event through a consent agenda process prepared by the administration.

The administration of The World Learner School will ensure that any budgetary fundraising goals established by the board will be met within the required time frame established by the board.

The administration of The World Learner School is responsible for the development of procedures for staff and parents to follow during all fundraising events.
