SESSION DESCRIPTIONS

June 15-8 Gardner's Delight With Randi & Amanda

Let's have fun visiting a farm, picking strawberries, making jam, & even doing some art projects using vegetables & fruit. We will get down & dirty tending the WLS gardens & students will make a container garden to bring home. We will take daily walks to local parks, taking note of the gardens along the way, & will play some games before returning to school.

June 22-25 Summer Art With Beth & Amanda

Love to draw? Paint? Play with clay? Get a bit messy? Then this class is perfect for you. Our days will be packed full of creativity & definitely a bit of craziness as we explore different ways to make masterpieces.

June 29- July2 Explore our Big Backyard With Nathaniel & Lauren

Students will explore the WLS backyard & be able to identify plant & animal species that call the backyard home. We will use a field journal to collect data for the U of MN's worm count program & understand the importance of clean water in the backyard creek.

July 6-9 Daytime Campout With Randi & Ingrid

Let's pitch a tent, make our lunch over a campfire, roll out sleeping bags & use the outdoors as our "go to" space. We will learn to care for & respect the trees, woods, & all that nature provides. Excited for time for reading & games in our tents as well as many new outdoor games & a scavenger hunt.

July 13-16 World Folk Music Tour With Lauren & Ingrid

Students will explore the world, learning the folk music of different countries! Included will be some history, songs & activities, & of course - dances! Let's explore some of the instruments that are used in these countries. Countries to visit include: Mexico, Jamaica, Austria, Israel, Ghana & the Philippines!

MORE SESSION DESCRIPTIONS

July 20-23 Fruit Extravaganza With Randi & Amanda

Students will head to a raspberry farm, pick berries & make jam to bring home. We will also explore with various fruits & veggies for dehydrating, pressing & using for artistic expression.

July 27 - 30 Worldwide Games With Randi & Amanda

Four days of exploring games of other cultures will show students how children around the world have fun! We will also explore various aspects of these cultures including food, music & art. Depending on the weather we may just need to get wet as well!

Aug 3-6 Full S.T.E.A.M. Ahead With Nathaniel & Amanda

We will explore concepts in science, technology, engineering, art, and math this week to design & build different types of transportation. We will create models to transport themselves over land, across water, & through the air. Vehicles will include rubber band cars, balloon boats, & water bottle rockets.

Aug 10 - 13 Pioneer Life With Beth & Ingrid

Come learn what life was like during the early days of America. We'll go back in time to when Chaska was a settlement on the river. We'll cook over an open fire, build our own log cabins, & learn some new games from a long time ago. You can count on having a good ol' time!

Important Details...

- Cost per session is \$220 a child a week.
- Cost for additional children in same family is \$200 per week.
- Cost for more than one week is \$200 after first week at \$220.
- Minimum of 10 children per session or session will be cancelled.
