

World Learner School

Policy: **405 BOOSTER SEAT USE POLICY**

Effective: 2.25.08

Revised: 8.24.09, 1.9.18, 11.23.20

I. Purpose:

World Learner School often engages in small, staff-lead field trips into the community. The WLS van is used to transport children during these outings. In order to meet MN Statute and to keep children safe, the Board of Directors adopts the following policy regarding child restraint seats in the WLS van.

II. General Statement of Policy:

When riding in the WLS van, children under age 8 (eight) will always ride in a booster seat. Children under 57 inches in height will always ride using a booster seat unless the child's ears are hereby raised above the back of seat and headrest.
